

# Rustler's Volleyball Camp

August 17-21, 2020

Falher, Alberta

We are still planning to go ahead with our 2020 Rustler's Volleyball Camp, as long as we are allowed to. Obviously due to the current changes in everyone's lives due to Covid-19 there will need to be some changes to camp. At this time, we don't know what the camp will look like. We are running through different scenarios as we prepare. We are waiting for directions from the Government as to what precautions will need to be taken and what protocols need to be followed. We want to assure everyone that we will use all measures to keep everyone happy and healthy. We ask at this time that you please send in your registration forms, but we will wait until closer to camp for payment. This year we will also need parents to fill out waiver forms due to Covid-19, which will need to be filled out before participants can attend camp. With restrictions in place, we may not be able to accept as many participants in camp therefore registrations will be accepted on a first come first served. We will make a list as registrations come in and once we know how many participants we can accept we will contact you. As we plan for camp we have come up with a few options. First being an indoor camp as usual. Second would be a part indoor, part outdoor camp (outdoor would mean grass volleyball). Third would be a fully outdoor camp. Some of the changes to camp may be having an outdoor camp (rain or shine). If the camp is to run outdoors it will run rain or shine. We may not know until closer to the date if we can use the school gyms so we are planning for all options. We are hoping everything works out and that we will be able to run our annual volleyball camp. We are excited to host camp in August, hope to see you there!

Please forward registrations to: [dmmorin@telusplanet.net](mailto:dmmorin@telusplanet.net).
